

Articles

Mr. Katt has been a life insurance columnist and contributing editor for the AAIJ Journal (published by the American Association of Individual Investors) since 1990, the Journal of Financial Planning since 1992, and the AICPA Insider since 2011. The following articles are provided with their permission. The information presented in each article may not be timely because the authors opinions or judgments may have changed, also laws or regulations affecting insurance policies or planning may have since changed.
